Tech Enthusiast | Problem Solver | CSE Student

I'm a passionate B.Tech CSE student with a knack for building creative tech solutions and solving complex problems. Always eager to learn, I'm driven by curiosity and the desire to make an impact through coding.

🔧 Skills

- | | | |
|----------------|-----------------|-----------------|
| Flask | Python | MySQL |
| Logic Building | Data Structures | AWS |
| HTML & CSS | Git/Github | Web Scraping |
| Quick Learner | Javascript | API Development |
| MERN | Docker | Mongo DB |

🏆 Experience

AADI FOUNDATION

June 2024 - August 2024

Web development Training

Learned about:

- Javascript
- React js
- GitHub pages
- Microsoft Azure

MERN STACK COURSE

June 2024 - August 2024

Fundamental of MERN

Learned about:

- Node js
- Express
- React js
- MongoDB

PYTHON COURSE

March 2023

Fundamental of Python

Learned about:

- Logic building
- Algorithms
- Web dev
- Flask
- Django

🧩 Hobbies

Coding, Reading, Writing, Dancing, Creating, Painting

🗣 Languages

English

Hindi

Spanish

Projects

Librarize-Personal Virtual Library
Tech stack-Next JS

<https://librarize-risiddles-projects.vercel.app/>

Library Genesis - Get to read free online books
Tech stack-Flask(Python)

<https://librarygenesis.onrender.com>

PDF Pop - Telegram bot to get the highlighted lines
from a pdf in a file
Tech stack-Python

<https://github.com/Risriddle/bookBot>

Online Compiler - Compiles java and python
Has a code sharer
and a Random problem generator
Tech stack-MERN

<https://online-compiler-frontend-orcin.vercel.app>

Algorithm Visualizer - Visualization of sorting and
graph algos
Tech stack-MERN

<https://algovisualizer-risriddle.vercel.app>

SetNewNASA wallpaper daily - Script
that renders a new wallpaper from NASA API
runs a cron job and sets new wallpaper daily.
Tech stack-Python

<https://github.com/Risriddle/DailyNASAWallpaper>

Youtube Video Summarizer - provides summary for the
provided yt video URL
Tech stack-nhost,n8n,bolt.new(React+vite+TS)

<https://github.com/Risriddle/YT-Vid-Summarizer>

Social Media handler real time update-provides real time
updates to admin regarding handlers&images.
Tech Stack-MERN ,web sockets,aws s3

<https://socialmediauploads.netlify.app>

Eventify - CRUD operations on events, attend events,
get real time info of attendees.
Tech Stack-MERN ,web sockets,aws s3

<https://github.com/Risriddle/eventManagement>

Education

Bachelor of Technology in Computer Science
Atal Bihari Vajpayee Govt. Institute of Engineering
and Technology , Shimla 171202

2021 - 2025

Mount Carmel Senior Secondary School
Palampur ,Thakurdwara

2009 - 2021

Extra-Curricular activities/Achievements

- 1st in college hackathon
- Part of ai/ml coding club(1styr)
- Anchored for college events
- Won inter school dances
- Won essay competitons
